

alba system/m

with integrated headrest mounts

Design Roland Meyer-Brühl

A compact sofa or a generously-sized corner suite: alba opens up a world of possibilities. The version alba system/m features integrated headrest mounts for padded headrests – as well as alba's many combinable elements and configuration options that can be used to create the right living room solution for almost all requirements, such as: three different seating comfort levels – soft, springy or firmer – and a choice of side elements and seat heights as well as base frame solutions. An extensive collection of fabric or leather covers completes the offer. All fabric covers are removable.

Top: A two-and-a-half-seater sofa covered in deep pile chenille with a comfortable seat depth of 63cm and folding armrests e.

Bottom left: Two-seater with a seamless bench seat and headrest mounts concealed behind the back cushions. Next to this: A light grey four-seater with narrow armrests h and floating feet.

Top left: The height-adjustable feet add lightness to this arrangement consisting of a corner sofa and an add-on sofa covered in a warm colour.

Top right: The smooth upholstery with an integrated sprung core, the narrow armrests and fabric covers in mineral colours give this alba system/m corner solution, consisting of a long chair and an add-on sofa, its clear lines. Floating, height-adjustable feet in a combination of wood and metal and the meticulous craftsmanship ensure that the aesthetics are maintained down to the last detail.

Left: Light colours, well-balanced proportions and a firmer level of seating comfort make this corner solution look clear and calm. The lowered armrest on the right opens up the seat towards the room and also turns the add-on sofa into a daybed.

Ordering information alba system/m

Integrated headrest mounts

An integrated, tiltable headrest mount is concealed behind each **alba system/m** backrest cushion; the armrest pad or also the optional armrest bolster can be inserted here to serve as a headrest. **The headrest mount and footrest finish always matches the foot finish, i.e. polished chrome or black powder-coated.**

Armrest pads **large** or **small** version

Each side element (except on the armchairs) always comes with an armrest pad. These are available in a **large** and a **small** version. Both armrest pad versions and the optional armrest bolster can be used as headrest cushions for the integrated headrests.

large
50 x 40cm

small
57 x 26cm

Optional footrest

Each **albasystem/m** seat (not the long chair and not on the open-end) can be equipped with an **integrated, extendable** and **tiltable** footrest. Please state with each order whether the footrest is required in front of the **right-** or the **left-hand side**. **The headrest mount and footrest finish always matches the foot finish, i.e. polished chrome or black powder-coated.**

Footrest size: Armchair 42 x 42cm, sofa-2 60 x 45cm,
Sofa-2.5, Sofa-3, Sofa-4 68 x 45cm

Price covered in fabric/leather **920**

Lowerable side element **e** **e+**

The side elements **e** and **e+** can be lowered down into a fully horizontal position. Dimension increase when one armrest is lowered **e**+20cm, **e+** +30cm.

Seat depth and seat height

Seat depth 55 or 63cm
Seat height **40, 42, 44** or **46cm**
(See page 3)

Optionally, it is also possible to **reduce the seat depth by 3cm**. This can either be achieved through:
- a thicker backrest cushion, **additional charge per cushion 135**
- or a separate ergonomic cushion, item no. **35582, additional charge per cushion** covered in fabric **230**, in leather **300**

Long chair with movable armrest and recliner mechanism

The long chair's movable armrest can generally not be lowered.

Regardless of the side element version, the long chair's armrest can always be moved along the sofa's entire length; however, it cannot be lowered.

Armrest width 5cm with side element **h**, 10cm with side element **c d d+ e** and **e+** 15cm with side element **b**

The backrest is fully adjustable and can be lowered into a reclining position (not fully horizontal) with the aid of a gas spring mechanism. Lowering the back fully adds another +30cm to the stated dimensions.

Recommended retail price in € valid from 15 July 2025

Construction

Firm seating comfort (1a):

Wooden base frame, serpentine springs, premium-quality polyurethane foam wrapped in fleece, covers removable

Relaxed/soft seating comfort (1b):

Wooden frame, seat cushion made of high-quality polyurethane foam core, overlay with soft filling, quilted in chambers

Firm seating comfort with spring core (1c):

Wooden frame, encased spring core with fleece cover, seat core made of high-quality polyurethane foam with fleece cover

Alternative sizes

alba system/m is available in customised shorter dimensions for an **extra charge of 485**.

Dimensions

All dimensions stated are approximate.

All designs on the alba price list are shown with side element **e**. The additional widths stated vary depending on the chosen side element: Side element **b** results in a width of **+15cm** per side element, if **h**, a width of **-5cm** per side element.

Seat versions

All sofa types can also be equipped with generously-sized **bench seat cushions** instead of separate cushions. If required, please state when ordering

Firm seating comfort (1a):

All fabric covers removable

All leather upholstery on carcass fixed, cushion covers removable

Relaxed/soft seating comfort (1b):

All fabric covers removable

All leather upholstery on carcass fixed, cushion covers removable

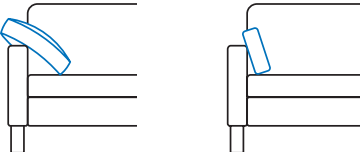

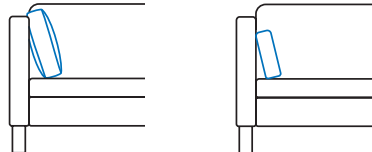

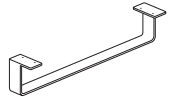

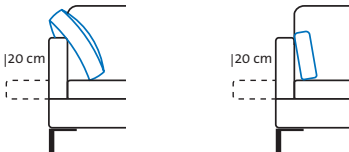

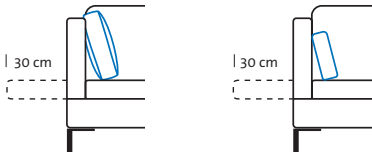

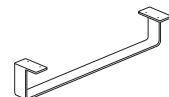

Firm seating comfort with spring core (1c)

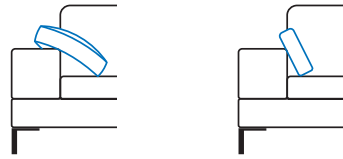

All fabric covers removable

All leather upholstery on carcass fixed, cushion covers removable
